Report on the Steam Action Veg & Produce Show Edenham Village Hall

This year our Show was held on Saturday 27th August – Bank Holiday! A gamble some might say but a gamble that paid off. We took in a whopping 281 entries (36 more than 2015) including delicious cakes, massive marrows, beautiful flowers and a half knitted teddy bear (winner of the disaster class!). The show was an absolute success, even the rain and thunder storm couldn't keep people away!

We opened for entries at 8.30am and by 9.45am there were some worried looks being exchanged as the Hall was half empty. Then suddenly we had an influx of people and we rushed around like mad getting everything prepared before the Judges arrival.

This year we opened up the show to all residents who receive The Three Towers and I'm pleased to say we will continue to do this. Thank you to all who ventured from far and wide to enter. We also saw a large number of people come to the view the entries and stay for the auction. It was lovely to see some new faces and we hope you all felt welcome in our Parish. Full prize list is in the website edition.

We raised £432.18 which will go towards the Christmas lunch we hold for the Senior Citizens in Edenham Village and the pantomime.

I'd like to thank the members of Steam Action for all their hard work. Thank you to our 4 judges who did a brilliant job. A huge thank you to everyone who took part and came along on the day. Without your continued support, we wouldn't be able to keep traditional events like this going. Thank you for your support with Steam Action.

Witham Church Kneelers Two completed canvases were left in St Andrew's Church on 25 June. Does anyone know who made them, or who left them there? It would be nice to have the name of the stitcher, or the person they are in memory of put on the back when they are made up. One kneeler is of Witham Church, and the other is a poppy

design. Please contact Jane Clark if you have any information tel 01778 590232.

Edenham Church Fund Raising: Once again, we have started up the very successful church fund raising coffee mornings. As well as raising money for the church roof in 2015, these are a nice social event. The first coffee morning is on 8th October at Sue and David Johnson's home, Scottlethorpe Road (the white bungalow). The repairs in and around the church are on-going, the stonework on the roadside damaged in the snow storm has begun and in time the gates will be re-hung. The stone benches in the south porch will be repaired in time, as will the roof in the nave, which will be a fairly large job. So please give those organising all fund raising events your support.

If you are interested in holding a coffee morning, 10am until noon on a Saturday, or if you would like to do another kind of fund raiser, please contact Ruth Atter on 01778 591328.

Lincolnshire Churches Trust Sponsored Ride and Stride

Due to the very inclement weather, the eagerly anticipated ride got off to a late start. Steady rain had reduced to light drizzle by 4.30pm and by the time I was organised it had all but stopped. First stop St Faith's Church in Wilsthorpe, then on to St Margaret's at Braceborough and to St Thomas's at Greatford, where I enjoyed a couple of jaffa cakes! I admired a beautiful modern stained glass window that had been installed in 2015, commemorating Thomas Beckett of Canterbury. It cleverly incorporated choughs (nicknamed beckits apparently), designs from Thomas's vestments and watercress to represent Greatford's local watercress beds. Fascinating! While I was in Greatford I heard the clock strike 6pm, so time to head home with blue sky emerging through the clouds. Although a year when I visited only a few Churches, thanks to all my generous sponsors, I raised over £200, half of which will help towards the St Andrew's roof replacement.

Swinstead Church Fete was a great success and raised £580.50. Thank you to everyone who supported this event.

The Corby Glen Local History Society

The Corby Glen Local History Society will present an exhibition entitled 'A CHANGING RURAL SCENE' in the Willoughby Gallery from 14th September to 12th October. The main feature of the exhibition will be a collection of photographs of Corby Glen and its community taken by David Schofield over thirty years or more. We will also be complementing these photographs with other pictures and material from our archives. These will show how Corby has remained a typically charming, quiet Lincolnshire village whilst also changing and developing through the last 150 years to the thriving community it is today in the 21st Century. The Society would also like to dedicate this exhibition to the 2 men who over the last 20 years or more have made it possible for us to view all this fantastic material, and bring our village's history to life. The two men are David Schofield, who has now moved away from the village to be nearer his family, and the late Desmond Adcock, who sadly passed away earlier this year.

THE VICAR WRITES

October (apart from being the Harvest Festival Season) is marked by some other significant dates. On October 4th the church celebrates the life and witness of Francis of Assisi who died on this day in 1226. He was an extraordinary man who rejected wealth and power to embrace total poverty. He judged that total poverty set him completely free – no-one was his master. Being a free agent for Jesus enabled him to talk and deal with people in a way no-one else could.

Remarkably during the Crusades, he was granted an audience with the Sultan in Syria seeking his conversion to Christ and peace in the Middle East – the Sultan received him gladly and had a serious personal conversation with Francis. The Sultan explained that unlike Francis he was not free to do as he wished but had to consider the well-being of his people and he believed becoming a Christian would not achieve that end.

In his poverty Francis' heart overflowed with thanksgiving for the goodness of creation and it was he who wrote the poem to 'brother sun and sister moon' in his Canticle of the Sun – which we know as the hymn 'all creatures of our God and King!' Francis is, with

Benedict the founder of western monasticism, a patron saint of Europe, the patron saint of peacemakers and also those striving for a better environment. In many ways he had wisdom on so many contemporary issues.

On the 18th October the Church remembers St Luke the Evangelist. It is in Luke's Gospel we read the famous account of the Birth of Jesus from the perspective of Mary. Luke was a doctor, an artist and a companion of Paul in his missionary journeys. Luke wrote the history of the first Christians which he called the Acts of the Apostles. Luke recounts how he was very careful to consult eyewitnesses to the events of Jesus' life as well as compare all the other written evidence. He wrote in Greek and was particularly concerned to communicate the story of Jesus to those outside the Jewish faith. He also concentrates on the ministry of healing of Jesus and of the apostles. This is why Luke is the patron saint of doctors.

At the very end of the month we come to All Saints Eve – All Hallows Eve – now dumbed down to the dreaded Halloween. In Western Europe the first Christians were very keen to supplant pagan festivals with their own and now as the winter season began they replaced the

appeasement of the forces of darkness (which was the purpose of the pagan celebrations) with the triumph of the army of light – all the Saints of the Christian church.

The climax of this celebration of the triumph of light over darkness culminated on All Saints Day on the 1st November. This is a triumph of Francis, Luke, and a myriad of others from the earliest times to the present day. In our parishes we keep all the major saints' days with a special service and sometimes a little party. In many ways our parish churches are original partying places in the community – and always the celebration is a thanksgiving for the things that last forever Faith, Hope and Love.

Hope-Patten who built a shrine church. This has over the past century developed into a place of great beauty and has been experienced by thousands to be a place of hope and healing. For the past twenty years or more groups from our parishes of all ages, some of whom have little or no connection with life of our parish churches have been for Day Pilgrimages.

This year the Day Pilgrimage will be on Saturday 1st October. The coach will leave Edenham Church at 08:30 and pick up at Bourne Bus Station at 08:40. After arrival at Walsingham there will be time for refreshments and at 11:00, those who would like to, can follow the Stations of the Cross around the shrine and its grounds. At 12:00 we join with other pilgrims for the Pilgrim Mass in the Shrine Church. Lunch can be pre-booked in the refectory or there are places indoor and outdoor for a picnic. The village itself has various cafes and pubs.

At 15:00 there are prayers for healing in the Shrine which includes a visit to the Holy Well. Our coach leaves at 16:30 and we

will back in Edenham by 18:00.

Tickets are £10 for an adult, £5 for under 16's and £30 maximum for bigger families.

Please contact the Vicarage to make a booking – details of lunch options and programme for the day will be available on booking.

Witham on the Hill WI

We invited Tony King to come and tell our WI about his 6-week trek to K2 in the Himalayan range of mountains on the Pakistan/China border. Firstly, he had to prove his fitness, that he was capable of walking in snow but unfortunately while walking Helvellyn he chipped a bone in his knee and had to be helicoptered off the mountain! Luckily, he made a full recovery in time to do his walk. He had to pack extremely carefully because, even though the temperatures could vary between -18°C to $+18^{\circ}\text{C}$, he was only allowed 20kg of luggage. When Tony arrived in June at the airport he met the 12 other people he would be walking with, they were from all over the world but he was the oldest by 30 years. For the first 2 weeks, with a porter each and 2 mountain guides, Tony and the trekkers did some walks to acclimatise themselves. They had to drink 10 pints of water a day which was purified with iodine & flavoured with orange powder to try to stop altitude sickness. When they did set off to reach K2, the porters carried about 70kg including dehydrated food, rice, spam & live chickens! They

had many different surfaces to traverse: ice, snow and moraine and even had to cope with floods one night. 3 people had already left with altitude sickness when Tony became ill with it. His porter took him back to his village for a week, which has no running water or electricity. He had a fascinating time, sleeping in a cattle shed and listening to the school children read. When Tony was better they were able to rejoin the party. Before walking on the glacier they had to practice falling in a crevasse. They crossed at night when the crevasses were closed & frozen and reached K2 at 23,000ft. On the way down they saw several minor avalanches.

The competition was a mountain picture. Juliet Renner came 1st, Sue Renner 2nd and Sue Cork 3rd. The raffle was won by Judith Childs.

At the September meeting Eve Marshall, an artisan felter, showed us some of her beautiful and skillful work, from delightful little animals to exquisite wall hangings. Many of us had recently seen examples of Eve's felting as she has been working with local community groups to do the display of poppies in the Queensgate Centre in

Peterborough to commemorate the Battle of the Somme. After telling us about her work teaching at the Stamford Arts Centre and Art in the Heart Gallery in Peterborough, the fun began. Eve gave us merino wool in many beautiful colours to start "fluffing." We were all given a plastic egg and warm water, shook the wet wool in the egg - two minutes later a felted bead was formed. These were made into bracelets, earrings and key rings. Members had a wonderful social evening chatting, laughing and shaking their eggs.

The competition was a key ring: Jane Clark came 1st, Juliet Renner 2nd and Julia Haynes 3rd. The raffle winners were Trudy Templeman, Doreen Whitaker and Pam Wood.

The next meeting Tuesday 4 October when Ruth O'Mellia will be talking about St Barnabas Hospice. Visitors and new members most welcome. For further information contact Jane Clark: tel 01778 59023.

Notes of the Edenham Parish Council Meeting 13th September

Open Forum: Chairman welcomed one member of public. The issue of traffic flow throughout the village of Edenham was raised, in particular excess speed and the danger to pedestrians in the vicinity of the Church Lane junction and the Old Post Office where the carriageway is narrow. The opening of the Adult Social Care unit and the vulnerability of the individuals using the facility, especially with regard to their road safety was also highlighted. A request was made for the provision of active speed warning signs to be installed to remind drivers to slow down and to have warning signs to indicate the locality of the care unit. Secretary to investigate the provision of the signs etc with the Highways Department. Chairman thanked the member of the public for their attendance and input, closed the Open Forum and opened the Parish Council Meeting. All parishioners are reminded that the Open Forum at each Parish Council meeting is their opportunity to voice concern/raise local issues with their councillors. Details can be obtained by contacting the parish clerk at edenham.pc@btinternet.com – or contacting any of your current councillors.

Annual External Audit:

Secretary read out the fully satisfactory External Auditors Report on the council's 2015/16 Annual Audit Return. A copy of this can be found on the parish website.

Financial Matters: Clerk's Salary 2nd Qtr 2016/17 (£275-31pp). Post Office Ltd - HMRC PAYE 2nd Qtr 2016/17 (£68.80p).

After discussion it was agreed that the annual maintenance grants for Edenham Churchyard Maintenance, and Edenham Village Hall Grounds Maintenance should be set at £300-00p and £459-00p respectively.

Highways: Concerns were raised again over the number of road traffic accidents throughout the Parish, particularly on the A151 trunk road and whether it is fit for purpose with the growing number of vehicle (especially large HGV's) that are using it. The condition of the verges being overgrown due to the policy of LCC to cut only twice a season was also considered to be a safety issue. Both concerns to be passed to the Lincs. Highways. Complaint received from residents in Elsthorpe about the number of HGVs using the Grimsthorpe/ Elsthorpe /Gunborough Hill road

as short cut (especially early in the morning). This is not only causing a noise nuisance but resulting in serious damage to the verges on this narrow stretch of road. Report to highways requesting weight limit.

Parish Christmas tree/lights:

Project ongoing - suitable LED lights now identified and being ordered - initial preparations to be made for installing the tree in the field between Riverside Cottage and Church Lane, Edenham for this Christmas.

Planning: Application S16/0688 - Replacement Access Gates, Grimsthorpe Castle - permission granted.

Children's Play Equipment:

Secretary briefed meeting on the condition of the play equipment prior to its annual safety inspection. In particular the poor condition of the play surface was highlighted and options for its future were discussed including replacement wood chips/bark, rubber chips and bonded rubber mulch. Awaiting report following safety inspection prior to planning remedial works.

Hedges: The council would like to take the opportunity to remind property owners/farm tenants that where their boundary hedges

border highways/footpaths, it is their responsibility to keep them trimmed back so as not to encroach onto them. This will ensure that they are safe for users and it will also enhance the parish's appearance - many thanks for those that do. Your local litter picker now finds it difficult to walk along the grass verges in places due to hedges/trees being left to grow right to the carriageway.

Suspicious Activity/Vehicles:

All parishioners are reminded to be vigilant in their local area and report anything suspicious, however minor, to the Police using the Police 101 tel no.

The next meeting of the Edenham Parish Council will take place in Edenham Village Hall on Tuesday, 8th November at 7:30pm. Council meetings take place on the second Tuesday in Jan, Mar, May, Jul, Sep & Nov in Edenham Village Hall at 7:30pm.

Toft cum Lound and Manthorpe Parish Defibrillators

Public Access Defibrillators are installed and ready for use in Manthorpe and Toft.

In Case of Emergency - Dial 999 from a landline or 112 from a mobile.

The ambulance service will know your location from your mobile and will ask you your geographic position from a landline. They will give you the access code to the cabinet if you can assure them that there is at least one other person with the injured person. Enter the code into the keypad and open the door. Take the defibrillator to the emergency.

VERY IMPORTANT

The defibrillator requires no training - all the instructions are given by the machine. Do not wait for one of the 'trained' residents to come and assist -

TAKE THE INITIATIVE AND FOLLOW THE INSTRUCTIONS - YOU CANNOT GO WRONG!

Did You Know That 112 is Better than 999 from a Mobile?

Did you know that you can dial 112 even when the mobile is locked or when there is no credit on the phone? Not only that but the same number is in use in over 70 countries and will work even if it is not your service provider.

Type the link below into your favourite web browser and spend a really worthwhile 5 minutes finding out why you should use 112 in preference to 999 when dialling the Emergency Services from your mobile.
