CONDOLENCES to Lorna Cook, family, neighbours and friends on the passing of Roy Cook of Toft.

MACMILLAN COFFEE MORNING A big thank you to everyone who supported this event in Witham on the Hill when £740 was raised. Thanks to Angela Clifford's team of baristas and helpers in the kitchen, to Jenny Stanton and Trudy Templeman for running the raffle, to Jean Mathams and Ann Burbidge for the cake stall, Jane Clark for the tombola and to Susan Peskett and Bev Haydon for all the beautiful floral decorations. The hall looked fabulous!

MACMILLAN COFFEE MORNING A huge thank you to everyone involved in the Swinstead Macmillan Coffee morning in September, organised by Mark Woodruff, when £561 was raised. Donations make a vital difference and help Macmillan continue its incredible work helping people to live with cancer.

SWINSTEAD FIREWORKS - The annual Low Noise Family Fireworks Display last month, went off with a 'bang', and the Hot Dogs went down well with everyone. Huge shout out to Chris Hatch & Ron Hoodless, our fireworks controllers, the ladies who ran the bar and the kitchen juggling drinks, dogs and chilli, to all the volunteers helping to clear up the fireworks and rubbish the following morning braving the terrible rainstorm and a BIG thank you to Nigel Hawkins for allowing us to use the Green.

CANDLE ARRANGEMENTS - EDENHAM CHURCH If you would like to do a candle arrangement for Christmas in Edenham church, the colour this year will be red. Please have red or cream candles that will last for several services and be in church for the Christingle service.

ADVENT WINDOWS - Anyone wishing to decorate their window in Witham on the Hill, as part of the Advent Calendar, please contact Frances Plummer (francesplummer@btinternet.com) or Jane Clark (nobby236@gmail.com) for your specific date. Make the window as simple as you wish but it would be really good to have it lit up and numbered with the date of your window. It will start on 1 December with the lights in the Parish Hall. A new window will be

displayed each day through to 24 December, when all 24 windows will be decorated and lit to welcome in Christmas.

SAMARITAN'S PURSE SHOEBOX CHARITY Thank you to everyone who filled a shoe box. Witham on the Hill WI did 21, and I know various other people have taken them to the collection points. Well done everyone – children in difficult circumstances will be very grateful for these thoughtful gifts.

TOFT CUM LOUND AND MANTHORPE FIREWORKS - A HUGE THANK YOU to Simon Lawton and his team for an incredible bonfire and fireworks display. This has got to have been our best display yet. For over 20 minutes, the sky was alight with a very professional display of fireworks. There was plenty of soup, hot dogs and hot chocolate to keep everyone warm. And the children enjoyed the thrill of playing on the swings in the dark! Special thanks to Councillor Reid, who again supplied the soup, and to the families who cooked and served the food and refreshments - you know who you are.

The Vicar Writes

Have you ever noticed that if you try to point out something to a dog, the animal will often look at your finger instead of the thing you're pointing to? As a child I found this frustrating when it came to our family dogs. But it isn't just dogs that do this. Believe it or not, it's something we all do from time to time.

For example, if you ask the average person in the street about the Christmas story then the chances are they'll immediately start thinking about the words and perhaps even the tune to 'Away in a Manger'. For most people the Christmas story is 'Away in a Manger'. It's true. Like it or not, 'Away in a Manger' is something akin to our 'default Christmas position' (you may even be thinking about it as you read this!). So, when we, or anyone else, starts to think about the Christmas story, we're probably thinking about 'lowing cattle', the 'stars in the bright sky' and the somewhat unlikely situation of a new-born baby not crying at all (that's a line I've always had to wrestle with).

When you do think about it, that manger must be the most famous

animal feeding trough in the world, ever! We see it on Christmas cards, we sing about it in hymns (not just in 'Away in a Manger') and, of course, we recreate it in the Christmas crib and Nativity plays. But really, the manger and everything that goes with it, is supposed to be a sign – a sign that points us to something else, but often (a bit like our four-legged friends) we end up paying too much attention to the sign and forget to look at what the sign is trying to point us to.

So, what is the manger pointing us to? What do the crib and the stable reveal to us?

Put simply, they point us to Jesus; to the truth that God came to us over 2,000 years ago in Jesus the child of Bethlehem, that he came to live as one of us, to show us how much God loves us, and to free us from our sin (from all that gets between us and him).

At Christmas we celebrate the birth of that child, we hear the Gospel accounts, we sing our favourite carols, and we see the sign that point us to him once again. At Midnight Mass and on Christmas morning there's also the opportunity to follow the invitation of Jesus in our

celebration of Holy Communion – in the taking, breaking and sharing of bread and wine in remembrance of him.

Of course, every time we celebrate the Holy Communion, we're given signs. In the bread and wine of the Eucharist, signs that point to the presence of Jesus among us; the same Jesus that was laid in a manger on the very first Christmas morning comes to us in the bread and wine of our celebration. But when that happens it is our hands that will serve as the 'manger', cradling the Saviour child of Bethlehem as he comes to strengthen and to feed us in the holy gifts.

As we remember what happened on that first Christmas day and as we gather to receive those sacramental signs, we need to be aware that God is asking something of us. What is he asking? Well, he's not just asking us to make room in our hearts for Jesus at Christmas (nor is he asking us just to make room for Jesus in the palm of our hands at Holy Communion). God is asking us to make room for Jesus in our lives each and everyday and to try a live like he did.

It's a tall order! But in trying our very best to do just that, God promises

that we will discover what it really means to live life to the full. So, this coming Christmas, let us rejoice as did the angels in Bethlehem, let us cradle the longed-for Messiah in our hands and let us welcome him into our hearts now and always.

Be near me, Lord Jesus; I ask thee to stay
Close by me for ever, and love me I pray.
Bless all the dear children in thy tender care
And fit us for heaven to live with thee there.
Amen.

Wishing you a blessed Christmas and happy New Year.

The Manners Monument or a Mystery at Uffington

It is said, often by me, that the finest examples of English medieval sculpture are the monuments in our cathedrals and parish churches. Not only in their beauty but as priceless historical resources, telling us about local worthies who are often of national standing. We are fortunate indeed in our area having such a wide variety to see. A fine example is the Manners Monument at St Michael and All Angels church at Uffington near Stamford.

On the south wall of the chancel is the monument to Roger Manners and his brother Oliver. Roger and Oliver were the third and fifth sons of Thomas Manners KG (1492 – 1543), of Belvoir Castle in Leicestershire, who was created first Earl of Rutland by King Henry VIII in 1525. Earl Thomas's maternal grandmother was Anne of York, a daughter of Richard Plantagenet, 3rd Duke of York. Anne was thus an elder sister of two kings: Edward IV and of his brother and successor, Richard III.

The monument consists of two kneeling figures in Tudor style armour facing each other and is made of alabaster, probably mined in Nottinghamshire. It contains panels at the top and one beneath each of the figures with text describing their lives.

The panel beneath the kneeling figure on the left of the monument tells us that Thomas's third son Roger was an esquire of the body, or personal attendant, of Queen Mary and Queen Elizabeth I. A date of 1587 is mentioned, whereas a date of death is mentioned in Latin on the panel at the top: "Obit XIDE 1607".

However, this information introduces a mystery. There is the date 1587. Pevsner in his “Buildings of England – Lincolnshire” assumes that this is Roger’s date of death and states that perhaps 1607 is of another Roger. Thomas Manners had eleven children but no other Rogers. The date of 1607 agrees with genealogical sources which state that our Roger was born in 1535 and died in 1607. He was unmarried and resided at Uffington until his death. The panel beneath the figure on the right says Thomas’s fifth son, Oliver, served Queen Elizabeth in her wars at Newhaven and there fell sick and died of the same sickness.

Here is another mystery. No dates of birth and death for Oliver are given, just that he died of “the same” sickness. Same as whom or what? Similarly, genealogy sources give Oliver’s date of birth as 1541 and death as 1563 and that he served under Elizabeth I in the wars at Newhaven against the French troops, where he fell sick and died.

The problem here is that there were no wars in Newhaven, Sussex, in this period. However, I strongly suspect that the city of Le Havre in France, founded in 1517, was named Newhaven by the English. France was a Catholic monarchy. As part of the European wars of religion following the Reformation, Protestants, called the Huguenots, captured Le Havre in 1562, looted churches and expelled Catholics. Fearing a Royalist counter attack, the Huguenots appealed to Queen Elizabeth I who sent 3,000 troops to occupy the city. Elizabeth's intention had been to exchange Le Havre for Calais, lost to France in 1558 after two centuries of English occupation. But the Huguenots then made an alliance with the Royalists who together attacked Le Havre and expelled the English troops. Queen Elizabeth was forced to relinquish any claim to Calais. I am fairly certain that these were the wars in Newhaven mentioned on the Manners monument.

All this is very interesting to anyone with a fascination with history. Or a visitor may have an appreciation of fine art and sculpture and may not be terribly bothered with the historical details. Either way the monument is well worth a look. There are other monuments in the church, particularly the Great War memorial, which are just as good. As there is a primary school opposite the church, I would recommend visiting on a Saturday or during school holidays when there is a lot more parking space. Dick Mundy

RAFFLE TO BE HELD ON THE NIGHT

Witham Hall Winter Fair 2023

Witham Hall was a hive of activity at the annual Witham Winter Fair in early November. The Friends of Witham were delighted to welcome more than 950 visitors from far and wide to the hugely anticipated event of the year. This year's event raised money for Tommy's Arc, a charity founded in honour of Witham Hall pupil, is dedicated to finding a cure and kinder, more targeted treatments for those affected by the childhood cancer, rhabdomyosarcoma. As this year's event took place on Remembrance Day, there was a wonderful Act of Remembrance on the Headmaster's Lawn where we were treated to a display from the Witham Hall Drum Ensemble. We were thrilled to have such a fantastic turn out for this year's event, thank you to everyone that contributed to the day.

Monitoring Vehicles Speed in Witham on the Hill

The Witham on the Hill Parish Council monitored the speed of vehicles travelling through Witham on the Hill from April 2022 to June 2023. The speed monitor was placed in two different locations – initially it was near East Green and then moved earlier this year to the other end of the village near the school.

The results show that of the 104,781 vehicles, 92% of the vehicles were travelling at or below the legal limit of 30mph. Fewer than 10% (8,534 vehicles) exceeded the legal limit and, of these, 7,340 were travelling between 31mph and 35mph. The vehicles that were travelling above 35mph were doing so late in the evening or early in the morning when the roads had less traffic and fewer parked cars.

The Parish Council will continue to monitor the speed of vehicles through the village and will produce an updated report early next year – at the moment the monitoring sign is back near East Green. If you have any questions about this report or would like to see the more detailed reports, please contact Duncan Brock : duncan.brock@outlook.com

SWINSTEAD PARISH COUNCIL

Notes of the of the Parish Council

held Thursday 9th November

Matters Arising: The Clerk confirmed BT has attended to the damaged phone box in the High Street which had been vandalised. He also confirmed BT had added the phone box to their painting rota for 2024.

Chairperson's Report: Community Orchard picnic Sept 23rd was enjoyed by all who attended. A huge thank you to the councillors and Village Hall Committee members who set it all up - especially to Cllr Hoodless, Ron Hoodless and our Clerk, Chris Hatch. Whilst on Orchard matters, the picnic table set and the bench have been installed. Thanks to the Clerk, Owen Wilson and Graham Underhill for doing the hefty work.

46 fruit trees from the original 60 planted are still standing, so, 14 more need to be added. Bare-rooted trees planted between autumn and spring are best and I suggest that we ask if any villagers would like to donate a tree and that

the Parish Council then make up the shortfall.

3 new litter bins: Again, huge thanks to the Clerk for ordering them and to him and Owen Wilson for installing them – 1 in the church car park, the other 2 at the Bourne Rd and Corby Rd village entrances.

SKDC Villages in Bloom:

Swinstead was joint runner up with Tallington in this year's contest, with Barrowby taking first prize. A huge thank you to the Clerk for taking and submitting all the photographs and for his supporting letter which obviously did the trick! The Clerk and I were presented with a commemorative slate plaque for the village at the Gala Community Awards Ceremony on October 27th. The Village Hall Committee will be asked if it could be displayed on the outside of the Hall.

Edenham, Grimsthorpe, Elsthorpe & Scottlethorpe Parish Council
Clerk's Notes: 14 November 2023

Attendees: Parish councillors Mrs P Cranfield (Vice Chairman), Mr A Wilson, Mrs M Marshall, Mr D Hawes, Mrs M Avis & Mrs C Sands (Parish Clerk).

Apologies: Mr T Clarke (Chairman) & Mrs A Treacy

Declaration of interest: Agenda point 9.3 Cllrs Wilson (Village Hall) & Marshall (Church Yard)

Footpath Improvement Works: It was agreed that Cllr Clarke's proposed letter will be sent to Highways and Cllr Martin Hill.

Councillor Email Addresses: In line with the mandatory requirement in the external audit and practitioners guide 2023/24, it was agreed that the Parish Clerk set up Council email addresses for all councillors.

Water Leak, Main Street Edenham:

This has previously been reported to Anglian Water; however, no action has been taken. As this could be a potential danger to motorists when the colder frosty weather arrives, the Parish Clerk will report this again.

Drainage Map: Parish Clerk contacted Lincs County Council to report the issue of no drains marked for our villages; however, the Parish Clerk has not received any reply.

Village Planting: Cllr Clarke reported that the ornamental hazel trees (in the tyres near Copy Lawn & Edenham Road) have been cut back by unknown person(s).

Grass Verges: There have been complaints from residents regarding the substantial damage caused to the roads and grass verges between Grimsthorpe, Elsthorpe and Edenham caused by vehicles during the recent road closure when Anglian Water (Pipeline Project) were carrying out work on the A151. Parish Clerk will write to Anglian Water Pipeline, Highways and Lincolnshire County Councillor, Martin Hill, to make them aware of the complaints and damage.

Concerns were also raised about the location of the actual road closure barriers and the lack of support in the villages to prevent HGV's reaching the road closure area, which once again resulted in HGV'S reversing or using residents' driveways to turn around.

School Parking: Parents are once again parking on the old coal yard frontage and subsequently reversing out on to Main Street. Parish Clerk will contact the School Head to raise concerns and advise that the Village Hall car park is available for parents to use.

Witham on the Hill WI November 2023

At the November meeting members had a go at various crafts – crochet poppies by Jane Wilmot, printing paper and gift tags by Elaine Brock, painting pebbles by Liz King and making fabric Christmas tree decorations using an origami method and a few simple stitches by Margaret Rine, ably assisted by Kaye Mundy. There was plenty of fun and chat, and some excellent items were produced. Nine members attended a fascinator making workshop, led by Anne Lawtey, on 11 November and made some stunning pieces. The next meeting, a Christmas party with entertainment by Swayfield Handbell Ringers, will be on Tuesday 5 December at 7.30pm in St Andrew's Parish Hall, Witham on the Hill. There will not be a meeting in January; the February meeting will be the AGM. New members and visitors are always most welcome. For further information, contact Jane Clark tel 01778 590232.

Jane's Seasonal Recipe

We had about 12 huge pumpkins this year and at the time of writing have still got 6 left! For some time, we have been living on a diet of pumpkin soup, pumpkin risotto, roasted pumpkin, pumpkin curry, pumpkin pie, pumpkin blondies and now I have adapted this recipe from BBC Food.

Pumpkin Loaf Cake with Maple Icing

220ml milk

1 tablespoon distilled or cider vinegar

125mlsunflower oil

1 tablespoon maple syrup

1 teaspoon vanilla extract

200g pumpkin puree (tinned or fresh)

350g sr flour

1 teaspoon baking powder

165g caster sugar

1½ teaspoon mixed spice

ICING

150g icing sugar

2 tablespoons maple syrup

1 tablespoon milk

Grease and line 2lb loaf tin. Stir vinegar with milk in a bowl and leave to stand about 10 mins until slightly curdled. Whisk in oil, maple syrup, vanilla and pumpkin puree. In a large bowl, mix flour, baking powder, caster sugar and spice. Stir in milk mixture and beat well until smooth. Pour into loaf tin and bake 180°C for 55 mins until lightly browned and cooked through. Leave to cool for 15 mins in tin before turning onto wire rack to cool. Mix icing sugar, maple syrup and milk until smooth. Pour the icing over the cool cake and leave to set at room temperature for about 2 hours. Cut the cake into slices to serve.
