## VIEW FROM THE VICARAGE

Trevor Phillips, the head of the 'Human Rights and Equality Commission', said recently; 'it is time to get over the issue of gay marriage; this is not the subject on which to debate the place of religion in public life.' My first thought on reading this was - the issue of marriage is exactly where I would seek to overturn the Christian teaching if my aim was to expel the influence of the Christian Church from public life. Having witnessed, over a lifetime, the success of the 'equality party' and its fundamentalist approach to social and ethical issues, which has transformed English society (for good and for ill), I am quite sure they will achieve their aim; as they possess a renowned presence in the media, and on issues of gay rights, in Parliament.

The institution of marriage is absolutely central to Christian Faith and life and is built on fundamental principles of Christian Doctrine. Marriage in the Christian Faith is a Sacrament – it is the way that the eternal love of

God is made present in the here and now.

The first principle concerns the nature of creation, indeed the belief that God is Creator. As the modern Marriage Service proclaims 'marriage is a gift of God in creation' or as the Book of Common Prayer succinctly puts it 'marriage was ordained by God for the procreation of mankind.' The union of a man and woman to procreate new life is part of the Divine ordering of creation. Now that most sexual activity is deliberately non- procreative, it means that in secular morality two men having sex is the moral equivalent to heterosexual sex. Sexuality divorced from the purpose of creation has the consequence of reworking every aspect of human relationships – including the role of parents. In the Christian Faith, the complementary nature of humanity as expressed in male and female is most fully expressed in the role of father and mother. Fathers and mothers are made by marriage.

The second principle is found in the teaching of Jesus who reminds us of this ordering in creation that 'a man shall leave his mother and father and be joined to his wife and that the two shall become one flesh.' For the Christian, marriage is a God-given way to spend a life in loving for the sake of the other and in so doing find a freedom and communion which Jesus saw as a foretaste of eternal life. Jesus' first sign or miracle was made at a wedding in Cana, he described himself as a Bridegroom and heaven as a wedding feast.

The third principle is that of community. Marriage is the central element of community – as the Marriage Service proclaims – 'in marriage husband and wife belong to one another and they begin a new life together in the community.' Marriage creates home and family as places of security and love. It is out of home life that community grows and develops. No one should be surprised that the rejection of marriage by the 'Thatcher Generation' should have led to breakdown in community.

I expect to be castigated as homophobic – and anyone who knows me will defend me against that charge. Anyone who criticises the 'new order' is bound to be dismissed as mad or bad – it was ever thus where fundamentalist ideologies are in charge. The problem is we now live in a moral environment where the principle of equality (which is a bastard concept of a material view of the world and not known in Christian ethic) rules over all. As the AB of C, Rowan Williams, has said 'this obsession to make everything equal is obscuring life giving difference in society.' Some things are just not possible from a Christian viewpoint and one of them is gay marriage.

## **WITHAM ON THE HILL WI**

Witham on the Hill WI Meeting held on 1st May 2012

The President, Ann Burbidge, welcomed 22 members (including 2 new ladies) and 2 visitors. This was the NFWI Resolutions' Meeting when the employment of more midwives was brought to the attention of all. The NFWI calls on the Government to increase investment in the training, employment and retention of midwives in England and Wales to ensure services are adequately resourced and are able to deliver a high standard of care. The vote was unanimous and passed accordingly. Our speaker was Teresa Thompson who gave an in-depth presentation of costumes from the time of George III to the 1980's. Her talk was entitled "Costume Cavalcade" and was illustrated with approximately 50 dolls in the varying period styles. The dolls were most intricately made by Teresa and dressed in the most amazing costumes. It was a highly enjoyable evening.

Mrs Jean Budden drew our attention to the truly first class service provided by the WI for their blind or partially sighted members in the form of a DVD presentation

of the WI Life magazine. The competition, a piece of costume jewellery, was won by Pamela Wood with Sue Cork and Frances Plummer coming 2nd and 3rd respectively. Sue Cork was lucky again in winning the raffle. Refreshments were provided by Jane Clark and Jean Mathams; these were greatly appreciated by all the ladies.

Table tennis is played on a monthly basis at Sue Cork's home and regular walks are enjoyed by many members. The next walk has been arranged for Thursday 10th May at Cowbit followed by lunch at Springfields. May 21st sees a visit to a recycling centre in Grantham to find out about the final farewell of electrical items! Several other outings have been arranged for the coming months - so watch this space!

Our meetings are normally held on the 1st Tuesday of each month at 7.30pm; however, next month's meeting will be on Thursday 7th June at the same time, and all visitors will be made very welcome. Our speaker will be the well-known Blue Badge Guide, Jill Collinge, whose talk is entitled "Right Royal Revelry". We look forward to this with much pleasure.

## **Notes from the Edenham Parish Council Meeting 8th May**

### **Annual Parish Meeting**

The chairman expressed concern that yet again there were no members of the public present for the Annual Parish Meeting. **All parishioners are reminded that the Annual Parish Meeting is their opportunity to voice concern/raise local issues.**

### **Parish Council Meeting**

**Election of Officers:** Councillor Joyce was elected as Chairman and Councillor Martin as Vice-Chair for the forthcoming year.

**Community Street Cleaning:** Council has been accepted onto the SKDC supported street cleaning scheme and it is hoped that standards of cleanliness should improve.

**Queen's Diamond Jubilee:** The Jubilee Programme commences with a Parish Photograph at 12 o'clock followed by family fun afternoon. In the evening there will be a barn dance to the 'Elusive Black Dog Ceilidh Band' with Hog-Roast Supper. The decorated

Wheelbarrow Competition is still open for entries – contact Mr Ray Biggs. Hopefully all within the parish will attend the event, especially the historical parish photograph.

**Annual Accounts and External Audit:** Annual accounts were accepted by the Council. External Audit Return completed and signed by the Chairman and Secretary. Notice of electors' rights to inspect the accounts had been placed on Parish notice boards.

**Edenham School - Planning Application:** Plans to install solar panels on the new school extension were discussed. Council voted by a majority of 4-2 against the proposal due to the negative visual impact it would have on the local area in particular the panels on the western side - facing the Old School Building which is "Listed". Much effort was taken at the planning stages of the new extension to ensure that roofing materials etc were sympathetic to the locale and to then cover such with solar panels would make that effort seemingly pointless.

**Children's Play Area:** The council would like to thank all that helped to lay the new play area safety floor material, especially Heath Cranfield and Tony Martin (machines save so much hard work!!).

**Highway Matters:** Potholes, broken and blocked drainage gullies within the Parish are to be reported to Lincolnshire Highways.

### **Steam Action**

There will be a Race night in Edenham Village hall on Friday 22nd June at 7.00pm for 7.30pm. Free entry but if you would like to buy a horse or sponsor a race please contact Ruth 01778 591328 before 15th June. Please bring your own drinks and glasses. Proceeds to Steam Action.

Loose and dangerous 'Bike' Warning signs to be reported to Lincolnshire Road Safety Partnership.

**Next Meeting:** Tuesday 10th July 2012 at 7:30pm in Edenham Village Hall.

Parish Council Meetings take place on the second Tuesday in every other month -- Jan, Mar, May, Jul, Sep, Nov.

## **Notes from the Swinstead Parish Annual Meeting and Parish Council AGM 3rd May**

### **Parish Annual Meeting**

**Chairman's Annual Report to the Council:** The Chairman thanked members of the Council and the Clerk for their support throughout the past year and in particular M. Somerville for progressing the Buttercross Project and for his continuing liaison with English Heritage and potential contractors.

There remains a need to support residents and liaise with the Police and SKDC with regard to continuing problems at Croake Hill. Other issues still requiring close monitoring by the Council include litter and dog fouling in the village. The football field continues to be maintained.

Regarding H.M. The Queen's Jubilee the Chairman was pleased to note that an afternoon event had been planned for June 3<sup>rd</sup> in the Village Hall. This would also include a Talk by a former member of The Queen's household.

The Chairman also continues in his role as Trustee for the Poor's Land and the Trust distributed funds to elderly local residents of more than 10 years standing.

**Financial Report for the year ending March 31<sup>st</sup> 2012:** Income for the year was £2,601.00. Expenditure amounted to £2,728.00 and a Reserve of £3,753.00 was in hand at the year's end. The accounts were approved by the Council. The accounts have been passed to the internal verifier Sir Edward Barry.

**Electors concerns :** No members of the public were present.

### **Parish Council AGM**

**Election of Chairman:** B. Lynch was elected Chairman and G. Brown as Vice-Chairman

**Charitable Donation:** Lady Barry had written to the Council requesting a donation to St Mary's Church; a donation of £230 was agreed.

**The Buttercross:** Letters have been sent to 3 potential contractors for quotations. Progress on obtaining grants continues.

**Community Wildlife Grant:** The Council agreed that we would submit an application for a grant to the Natural Environment Team at Lincolnshire County Council towards the costs of purchasing trees for planting in existing gaps in hedgerows at the playing field.

## **HM The Queen's Jubilee**

**Celebrations:** It was suggested that the seat at Croake Hill be replaced to mark the Jubilee; it was decided to wait until the full and final costs of the Buttercross Project had been settled.

## **Councillor and Clerk Training:**

The Clerk was scheduled to attend a day-course at Pointon on 8<sup>th</sup> May. The Councillors will attend a course later in the year.

**Noise Nuisance:** Issues continue to be monitored; the Chairman will be writing with regard to new problems reported on the High Street.

**Councillors' Reports:** It was

noted that the down-pipe on the bus shelter at the top end of the village had become dislodged. Arrangements will be made to repair the pipe.

**AOB:** The Council approved a Planning Application by the Reverend Canon Andrew Hawes for the replacement of stolen lead from the St Mary's Church Porch with slate.

The Chairman will write to Mrs Anita Henson thanking her and Sir Edward Barry concerning the administration of the Village Hall.

**Date and time of Next Meeting:**  
5<sup>th</sup> July 2012 at 8pm.

## JANE'S SEASONAL RECIPE

*Bread pudding is a very traditional recipe, a good way of using up stale bread. My Mum used to make it when I was a child – there was always a big dish of it to be eaten hot with custard or cold as cake. It is sold in every bakery and tea shop in the Lake District, it is a good hearty slice of energy for the back pack when walking; and is often seen on the refreshments stalls at marathon or cycling races. My variation has sliced apple in the middle and on top (we are still using up last autumn's apples at the Regional House!)*

### **APPLE BREAD PUDDING**

**10 oz bread (8 slices)**

**3 oz soft margarine**

**3 oz soft dark brown sugar**

**1 egg**

**1 tsp cinnamon**

**6 oz mixed dried fruit**

**2 large cooking apples**

**2 oz granulated sugar**

**8 sugar cubes**

*Break bread in a basin & cover with water. Leave to soak for several hours. Cream margarine and sugar, beat in egg. In a sieve, squeeze out water from bread. Return to bowl & beat with wooden spoon, until broken down. Add bread to creamed mixture with cinnamon & fruit. Mix well. Spread half into a greased 2 pint dish. Place half of sliced apples over the bread mixture & sprinkle with half of granulated sugar. Spread with remaining bread, cover with rest of sliced apple, sprinkle over rest of granulated sugar, then crushed sugar cubes. Bake approx 1 hour, 190c until brown & shrinking from sides of dish.*

**Tuesday 10<sup>th</sup> July, 2012**

Life has been extremely busy in school for the past few months. Lent and Easter provide some fantastic opportunities for thinking about ourselves, each other and what it means to be part of our community. We were proud of our Y6 pupils who lead a moving Holy Week service using drama, with prayers bravely read by our Year 1 and Foundation Stage pupils.

We launched energetically into the Summer Term with an Easter Egg Hunt and Easter Service. Unfortunately, wet weather nearly stopped play, foiling our plans to walk to Grimsthorpe for both activities but, thanks to our brilliant Friends of the School, the hunt was relocated to the school grounds and woodland, whilst at the service, we were able to enjoy the beautiful flowers decorating Edenham Church.

This term sees some really exciting learning taking place – each class is a different country and, whilst we can't stretch to international travel, we are aiming to experience countries of our choice as best we can. Foundation/Y1 pupils are studying Kenya and have already relived a trip to the savannah with Mrs Clarke and her holiday snaps. Y1/Y2 pupils are sampling tastes of Italy, Y3/4 are kicking back to enjoy the beauty of Oceania and Australia and Y5/6 are exploring the complexity of India. Activities to be enjoyed will include trips to Whipsnade, Frankie and Bennie's in Spalding, an Indian takeaway, a Hindu dance and language workshop and packing our suitcases to visit another nation.

We are already learning a huge amount about the Olympics and Olympic Values and hope to represent our adopted nations proudly during our sports day!

We'd be really pleased to hear from you if you have any experiences you could share with our pupils about these four countries – language, art, travel, sport. Who knows...

Please contact us through [enquiries@edenham.lincs.sch.uk](mailto:enquiries@edenham.lincs.sch.uk) or on 01778 591207, or see what we are up to at [www.edenham.lincs.sch.uk](http://www.edenham.lincs.sch.uk)
