Sincere Condolences to Andrea and Francesca Johnson of Manthorpe on the tragic loss of their beloved husband and father, Paul. Our thoughts and prayers are with you.

THE VICAR WRITES

Politicians, economists and environmentalists have a new catch phrase: 'The Generational Covenant.' In other words how do we organise our society, manage our resources, plan for the future – bearing in mind our responsibility to future generations. The present worldwide protests about the current state of banking and the globalisation of the world economy are justified by the self-evident truth that all our generation has done is store up debt for the future and ruined the prospects for a healthy environment for our children's children – leaving them impoverished. One has to have sympathy with this claim – I do at any rate. I see the same rejection of 'The Generational Covenant' in the Church in which I serve as a priest.

On the 1st July it is probable that David Pickett will be the first man to be ordained priest in Edenham Parish Church. That is difficult to prove as there has been a church

on that site since at least the year 670. Remarkably, David's ordination would be recognisable to every previous generation that has worshipped there. A bishop lays his hands on the ordinand's head and prays for the Holy Spirit to endow him with the gifts and authority of priesthood. This has been the practice since apostolic times. Other priests gather around and also lay their hands upon him. The bishop and all the clergy will be men. To previous generations the idea of having a woman ordained priest would be, at the very least, bizarre. The Church of England has, since 1993, ordained women to the order of priest. At the same time it made provision and gave solemn promises that those who could not accept this innovation as a justifiable departure from the example and teaching of Jesus, and of the world wide church for two thousand years, would have 'a permanent and honoured place in the C of E'; I am one of those people. I believe that the ordained ministry is a sign of The Generational Covenant between

God and his people. To substantially remake and re-order the sign is to jeopardise the covenant.

In July the General Synod of the Church of England will vote on legislation to allow women to be bishops. Bishops are the source and makers of this sign of Generational Covenant. The ministry of women as bishops will have far reaching and irreversible effects on the wider church. The ecclesiastical toothpaste will not go back in the tube. Despite this, the proposed legislation does not make permanent, legal provision for those who desire to remain orthodox. The church has decided that I am no longer (to use a phrase used in 1993) 'a loyal Anglican.'

The Generational Covenant that Jesus gave to the church in its ordained ministry has always ensured that the same faith and signs have been passed on from generation to generation. Not to allow even the smallest part of the church to continue in the orthodox faith is, on one hand, the betrayal

of past generations, and on the other, the robbing of the right to an orthodox way of life for my children and grandchildren. It will remove a freedom of choice and essential right to choose. I accept that it is logical for the church to have women as bishops but I find it hard to accept that the cost of this should be the total and absolute rejection of the minority whose only desire is to live in the faith into which they were baptised, and in which they have lived all their lives. It could be that future generations will realise that to ordain women as priests was a short cut to a dead-end; God knows. In the meantime I pray that the church will find a way to honour its own 'Generational Covenant'.

EDENHAM REGIONAL HOUSE

In June the Regional House hosted two events to mark the completion of the new area for gathering, quiet and worship. After some discussion it has been decided it shall be known as 'St Michael's Court'. The design echoes many features of the Parish Church – even to the pattern of planting in the beds.

The first event on the 15th June was a thank you and celebration for the completion of the work; this took the form of a 'Hog Roast' it also raised £360 towards the garden fund. Then on the 21st June the Bishop of Lincoln led a service of prayer and dedication of the gardens – setting it aside for God's purpose and to further His Kingdom among us. Readers will have an opportunity to enjoy St Michael's Court at the Garden Fete on the 14th July.

Established in 1989, as a charitable Trust (no 1058116), situated in the Vicarage, Edenham Regional House is a residential Christian retreat house and conference centre. It is an ancient and living church, in a beautiful working landscape, with deep traditions of worship and service, a

living community of home and village, warmly welcoming all who seek peace and renewal. Rooms can be booked for individual quiet days, for meetings, for bed and breakfast or for an individually guided retreat.

Please telephone if you would like a tour of the facilities. For photographs and details see www.erh.org.uk

The Regional House has a programme of days of reflection, open to all. They begin at 10am with registration and refreshment. A simple lunch is provided. Please notify the house of any special dietary needs. Suggested contribution is £12.50, but participants may give more or less, according to will or circumstance. For booking or further information tel 01778 591358 or email edreghouse@tiscali.co.uk.

WITHAM JUBILEE CELEBRATIONS

Well, after all the months of planning it is over and done with, but didn't we have fun? The camaraderie in the tents during the cloudbursts didn't dampen our spirits. Festivities began on Saturday evening with a Ceilidh in Witham Hall School sports hall – 175 men, women and children danced the night away to the music of Moggy in the Wood. The caller got everyone to join in and we soon learnt the basics. An excellent supper, of bread, cheese, pate and cold meats refuelled us for the second half. Thank you to everyone who helped with moving tables and chairs, preparing the food, and a very special thank you to Witham Hall School for allowing us to use the hall.

At a special Songs of Praise on Sunday evening, the service consisted of prayers, a hymn and a scripture reading from the Coronation Service, included readings from 3 Poet Laureates during the Queen's reign. The Church was open all weekend for

people to view the Living Memories Exhibition – all about the homes in the Church Parish.

Monday was a Fun Day on the village green which began with a tug of war, Witham versus Manthorpe. It was a hard fought contest, with the teams very evenly matched, but after one win each Witham won the final tug! Thanks to Martin Trollope-Bellew for refereeing the match. Then the heavens opened and we all retreated to the beer tent for 20 minutes! Thanks to Karen and Nick for running the bar.

The children's fancy dress, judged by Mrs Welch, was won by Sebastian Setchell as a pirate, Sam Scott as Prince Harry, and Ava Lambert as a corgi. The adult fancy dress winners were Emily Munton and Sean Coles as the Queen and Prince Philip, and Richard Setchell as Adam Ant.

The Spitfire flypast – organised by Adrian Childs – made everyone look skywards. Mini Olympics, brilliantly organised by Andy Cordial, caused great hilarity amongst adults and children alike

– egg and spoon and sack races; with the winners receiving chocolate medals!

The welly wanging was won by Jason Beedell. The dog show was very popular. Well done to Debra Mcmillan for organising this event, and many thanks to Sylvia Deighton, the judge . The bouncy castles were busy all day as were Jackie and Lauren Denial painting faces! Jessie and Jack Hales, the eldest long-term residents of the village, planted an oak tree in the Churchyard and Father Andy said a few words. A professional photographer took a picture of all the assembled villagers from the basket of a digger, kindly loaned by Will Stanton. Copies of the photo, on a memory stick, are available from Richard Burbidge.

Tea followed, complete with absolutely delicious Jubilee cakes, made by Frances Plummer and Angela Clifford. A fine dry evening, and a very long game of rounders kept many children and adults occupied. At 9.15pm the bonfire, built by Will Stanton, Matt Stanton and Adam Pond, was lit in the field and we kept warm for many hours,

with a small party of fire-watchers staying all night to chat, drink and welcome the sunrise!

At noon on Tuesday, St Andrew's Church bells rang out to celebrate the Diamond Jubilee – rung by a team of 6 local ringers (Pamela Pohling Brown, Debra Mcmillan, Emily Munton, Francis Templeman, Claire Walker and Jane Clark) who rang a change called "Queens". Thank you to the large team of helpers who cleared up on Tuesday morning, dismantling tents and stacking chairs – many hands made light work! Thanks to Taff Lovesey for generously sponsoring the wonderful, glossy, and very unique Jubilee programme, that Sue Pennant-Jones produced.

Congratulations to the Jubilee Committee for organising such a successful weekend; thank you to everyone who helped in anyway - individuals too numerous to mention, and to everyone who came and joined in the spirit of the events, which made it all such fun.

A VIEW FROM THE PEW

While Her Majesty the Queen carries on the daunting task of visiting the whole of the United Kingdom, those who had a hand in organising the local celebrations, can now look back with a good deal of satisfaction in a job well done. What a joy it all was!

A big thanks to all those who joined in the fun, it was people, coming together, who made it happen.

We are quietly pleased with the small part we played by putting together the Domesday project, the response we had was wonderful. The work carries on behind the scenes as we set about

arranging everybody's contributions in book format. If you wanted to contribute but have not got round to it, entries can be accepted until the end of this month after which, sadly it will be too late.

Congratulations to Jane Clark and Steve Osborne, joint winners of the caption competition, their prizes have been delivered! We hope to publish the photographs and the very amusing captions, on the parish website; hard copies will be displayed at St Andrew's Church for a limited period.

Watch this space for the next community project which will involve gardens and flowers in their varied guises.

WITHAM ON THE HILL WI

June 2012

Twenty four ladies knew they were in for a treat when Ms Jill Collinge took to the floor with her talk a "Right Royal Revelry!" From the albino Edward the Confessor, who built the first Westminster Abbey and the Palace of Westminster, to a king who reverted to erotic images to encourage a satisfactory wedding night (without success!) and another who never washed his hands and Elizabeth I, the Virgin Queen, our most powerful royal leader. The Bible we all use today with its connection to James I and the exuberant reign of Charles II, whose mistresses are the ancestors of many aristocratic families of today. The anecdotes came thick and fast, with reactions from us of surprise, shock and amazement. The talk culminated with our own royal family and our most elegant and much loved monarch, Queen Elizabeth II. We sat enthralled. It certainly was a Right Royal Romp through history!

The vote of thanks, by Mrs. Jean Mathams, conveyed our appreciation of this gifted speaker most aptly. The competition, in keeping with the theme, was Coronation Memorabilia and Mrs

Susan Peskett won first prize with Mrs Jean Croft and Mrs Sue Renner as runners up. The tea, with red white and blue decorated cup cakes, was provided and served by Mrs Ann Cork and Mrs June Dandridge. The next WI walk, starting at Stamford meadows, of approx 5 miles, will take place on Tuesday 12 June followed by lunch at The Cozy Club, Stamford. The outing to John Clare's Cottage in Helpston is on the 27 June. Our next meeting is on Tuesday 3 July at 7.30pm when our speaker will be Angela Nicholls on Decopatch Farmhouse Chicken Crafts; for £5 members will have a go at making their own decorated item. Everyone is welcome, and we shall be delighted to see you.

Further information on any of the above is available from President Mrs Ann Burbidge on 01778 590132.

Jubilee Tea Party

About 50 people both young and not so young celebrated this very special occasion in the village hall on Sunday 3rd July - a wise choice of venue considering the inclement weather and a great time was had by all. There was an excellent range and quality of food which had been prepared and presented by Yvonne most ably assisted by her friend and neighbour, Anne Hakesley.

Other residents pitched in to help with the variety of tasks associated with this type of function and the quantity of food available was typified by the number of people who left at the end clutching a variety of heavy doggy bags.

Before everyone tucked into the feast, we were treated to an illuminating talk about the Royal family given by Anne who had worked for 10 years in the Royal household at Windsor. The talk outlined the average year's activity surrounding the Queen. Using her first-hand knowledge, she described the royal stays at

different castles and royal houses and how busy the Queen's life was - and still is. She also displayed many items of Royal memorabilia which she had acquired during her years of service. This talk and memorabilia created much interest, comments and questions.

As part of the celebrations a competition was held for the best decorated hat and the winners after being judged by Lady Jill Barry were Molly and Clive Lunn, Kath Allbones, Zara Fowler and Niamh Fowler.

To conclude, the chairman of the Parish Council, Mr Bryan Lynch, officially thanked Yvonne and Anne and everyone involved in the festivities for their hard work and making this occasion special and one to remember. At this time he also announced the procurement of the old playing field which will be utilised as a permanent reminder of the Queen's jubilee.

Notes of the WOTH Annual Parish Meeting & Parish Council AGM held on 14th May 2012

Annual Parish Meeting: Fourteen members of the parish attended the meeting along with five members of the Parish Council, the Clerk and District Councillor. Mr Stanton (Chairman of Parish Council) said that during last year the Parish Council had started to move forward in regards to the extension of the car park at the Green with obtaining quotations and looking at obtaining grants towards the cost. He also said that it was hoped that an area of the Green would be put aside to create a wildlife meadow. He said that there had been a few contentious issues such as the cutting back of the old yew hedge at Witham Manor.

District Councillor Miss Channell gave a brief report on what had happened during the past year at district while the Clerk to the Parish Council read out a report on behalf of County Councillor Martin Trollope-Bellew. The Clerk then gave a brief report on the

2011-12 finances of the Parish Council.

Mr W Banks asked when the extension to the car park would take place. The clerk reported that the Council were still waiting for confirmation from SKDC giving permission even though planning permission had been granted. He asked who looked after the Boules area. It was agreed that a member of the Parish Council would contact Ray Thompson, David Clifford or a member of the Jubilee group. It was stated that vehicles were parking on the verge outside Mulberry Cottage.

The District Councillor Miss Channell agreed that she would look into who is responsible for emptying the rubbish bins – the one near the Bells, East Green and the two on the Village Green.

Parish Council AGM:

Cllr. Will Stanton was elected Chairman and Cllr. Martyn Hyde Vice-Chairman for the meeting, they both signed the Declaration of Acceptance of Office.

The End of Year Accounts 2011-12, the Statement of Accounts Section 1, the Annual Governance Statement Section 2, Internal Auditor Mrs Genever (Uffington Parish Clerk), Zurich Insurance Plc, Risk Assessment Audit and employee's salary and hours were all approved.

It was agreed that the Parish

Council would hold its meetings at St Andrew's Parish Hall on Mondays at 19:00hrs on 2nd July, 3rd September, 12th November 2012, 14th January 2013, 11th March, 13th May (Annual Parish Meeting/Annual General Meeting of the Parish Council/Parish Council Meeting). All welcome.

Rosemary Woolley – Clerk

Edenham Parish Wheelbarrow Competition

Congratulations to all those who took part in the competition and dreamt up some wonderfully diverse entries. Who would have thought that with a theme of "60 Glorious Years" we would have seen bread, chickens, old TVs, pasta, incense sticks, sailing vessels and even the odd (?) clergyman in the barrows?

First prize was awarded to Pat and

Mike Smith for their Bakehouse barrow and the runner-up was Ian Cunningham with his HM Wheelbarrow Britannia. With so much talent and creativity in the Parish it seems appropriate to stage the competition again in 2013.

We will place full details of the 2013 event details in an end of year edition of The Three Towers.

Financial Report: Full breakdown of the year's accounts were approved.

Current assets of £901.38 are £117.42 down on last year.

Membership: Membership is due on 1st of January. We only have 17 member households, discussed possible recruitment campaign. It would be good to get back to at least 30, it is still only £5 a year.

Reports on recent talks: Mick Bean – Flag Fen from Neolithic to 21st Century, 5th of March, 17 people attended; with an income of £44.50 and expenditure of £64.08, we made a loss on the evening of £19.58. Comments were that it was a very good talk that included a lot of information about the new dig being carried

out on the Hanson side of the river which was still part of the same overall site as Flag Fen.

Julian Richards – Stonehenge, 23rd April. 32 tickets were sold at £6 each; with donations total income was £211, expenditure was £330.57 making a total loss of £119.57. Comments were made that this was a very enjoyable evening with a great speaker who was very happy to answer questions and chat to everyone after the talk.

Future Talks and Events: Friday the **27th of July** 2012 at 6pm, a members' trip out to John Clare's Cottage, Helpston £3.85 each plus the cost of tea, coffee, scones and cakes. There will be a talk and then an audio tour of the cottage at our own pace. Please allow one to one and a half hours for the visit. It has been suggested that we visit the pub nearby afterwards. Sue is taking names and needs to let them know numbers and if refreshments are required by the 18th of July. 6 already on the list.

Monday the **17th of September**, 2012. Glyn Coppack – Sempringham Abbey.

Monday the **12th of November** 2012. Alistair Goodrum - “Balloons, Bleriot’s and Barnstormers”.

St. Andrew’s Church Guide

Update: Peter reported that he was still to complete the more comprehensive guide - a transcription of the talk given by David Mainwaring; one copy to be laminated by Warwick and displayed in the church in a binder and available to order. Price is still to be fixed for the more detailed copy to be sold to order. A copy of the booklet will be sent to the Lincoln Archive when completed.

Jubilee Project: Over the Jubilee Weekend the display of the history of many local houses in the Parish was staged in Witham-on-the-Hill Church, some with photographs and maps. The intention is to publish all the information when the histories are all collected, we will then buy one for the archive.

Update on Historical Society Publications: Steady sales of all items, more copies of CD of Piece of the Puzzle have been produced. All publications are in profit.

Additions to the Archives: Photo of Manthorpe—2 books— Information and photos from Norman Bothamley, to be added to his file.

Any Other Business: Dave Mainwaring mentioned that while at Lincoln Archive he had found a sketch by Joseph Banks of Morton Church circa 1790 in a huge book and that there might also be one of Witham Church, maybe a copy could be obtained via “Lincs to the Past”. Dave to try and obtain a copy for our archive.

It was mentioned that Joseph Banks would be a good subject for a talk, also the Lincolnshire members of the Hellfire Club of which Joseph Banks was a member. Warwick to see if he can find a speaker.

25 Year Old Female

Seeks Plumbing Apprenticeship

I have recently finished a National Diploma in plumbing, in this year long course I have developed my knowledge of pipe bending, installing and replacing pipe work, bathroom equipment and radiators, and also fault finding and problem solving. This teamed with my previous sales experience has given me the basis of knowledge to confidently start an apprenticeship. I have had a clean full UK driving license since October 2007 and I'm looking to work within 30 miles of Bourne.

Extremely reliable, hard working and motivated, being that bit older than other apprentices I am mature enough to realise the importance of what I am doing and not take it for granted.

In return I could be an asset to your business. The offer of a female plumber may make some people feel safer in their own homes. The feedback I have had since starting the National Diploma has certainly proved this to be the case!

If you think I would be suitable for your business, or even another local business, please contact me and I'll send you any details you require.

TELEPHONE SCAM WARNING

Beware - you may receive a call from someone claiming to be from Microsoft or sometimes your broadband provider. They will try to convince you that there is a problem with your PC. They will then ask to connect to your PC so they can solve the problem. Following this they will tell you that your system is either infected or broken and will offer to 'repair' it for you.

At this point they will request your credit card details so they can continue.

Here's the golden rule: there is not a single legitimate service provider that will contact you in this way, if you receive such a call it is a scam! Do not give them access to your system and do not provide any bank or credit card details to them!

The severity of the scam varies but, in effect, they do nothing you could not do yourself for free if you have the time and a little knowledge or it can be done very cheaply through your local computer service agent.

Another common tactic designed to get even more money from you, is to 'sell' you licenses for anti-

virus and other computer tools that are in fact freely available to you. In some cases they have also debited further sums to the individual's credit card - most recently the £150 'service' fee was followed by a further £250 drawing against the card.

We are often too tolerant and polite in the UK. These people are con-men and think nothing of taking money from your account, you do not have to be polite and you are quite within your rights to put the telephone down on them.

A more effective approach is to tell them that you have a contracted local engineer and direct them to call them (which they will not do of course).

If you have fallen for this scam you should contact your credit card company and/or bank immediately to get advice on what you can do to recover the funds and to determine if you need to change your credit card for security purposes.

Market Cross Centre, Corby Glen

Jeremy and Rachel Marshall Roberts would like to thank Dr John Elder and his team at the Market Cross Surgery for being such great tenants for the past 16 years in our premises at The Market Place, Corby Glen. The surgery has brought vibrancy to the centre of the village, which I am sure many of us now miss.

In these difficult economic times it is hard to discern the needs of a growing and successful community such as Corby Glen and the opportunities for trade, which will benefit the village.

We are very sad that Jane and Tim decided to pull out of the Dance Academy and coffee shop just after planning permission was granted, as this would have benefited the young people of the village.

We purchased the shop in the Market Place in 1978 and converted it from a village grocery shop into a wine shop with bedsit accommodation above. In those days customers travelled to buy

wine from a fifty mile radius and we regularly held wine tastings at weekends. As the supermarkets grew in the late 1980s, and online trading began in the late 1990s, we moved to premises behind our house and the shop became a surgery in 1996.

New planning permission has been submitted to the SKDC for the shop to be converted back into a shop at the front, with 3 offices/ shops/ craft workshops downstairs and a flat/bedsits upstairs. We are open to ideas and would really like something to benefit the heart of the village. If nothing right comes forward in the next few months, we will update the premises and use them for storage for our hamper business this coming Christmas season.

We hope to discover someone else with a great idea for the centre of the village in the near future.

POO LANE BOTTOM STREET WITHAM ON THE HILL

Where is this you might ask – well, if you are a regular walker as I am, you can't miss it. Poo Lane leads off Bottom Street heading North, passing Hill Crest on the left. This tree lined lane leads out into open countryside where you can enjoy seeing the wild life, wild flowers and lovely views across the rolling fields. It provides the beginning of a circular walk used by many local and visiting walkers. However, as you enter this leafy lane, on a walk you hope to enjoy, you are faced with piles of dog poo – I've recently counted

13 in total and now there are more!

I wonder how many of you have been unfortunate to tread in one – children are not as careful as adults and don't look where they are going. Have you had to clean a pair of trainers? It's not pleasant I can tell you! Please, please if your dog decides to poo anywhere where the public are walking or playing, pick it up in a bag and if you've been so good as to do this, take the bag home, do not leave it lying on the verge.

Thank you in anticipation. Janet Kirkwood on behalf of many.
